Hi {{first_name}},

Recently we saw you tried to plan a visit to {{church_name}} and you didn't end up getting to make it.

We understand! Life can get hectic and things just don't work out. Busy schedules, unplanned emergencies, and the thousands of other little things that come up on any given week can easily throw us off track.

But there is something really important we want you to know...

When you are ready to visit a church, our doors are always open to you and your family.

We are all about real people with real problems experiencing the real love of Jesus.. When you do get to visit, we want you to be inspired by the music, encouraged by the message, welcomed by our church family and reminded that God loves you.

If there is ever anything we can do for you, please don't hesitate to reach out to us anytime.
